Nota: Construcción sustentable, una tendencia que crece de la mano de la conciencia ambiental

The screenshot shows the website interface for Patagonia Ambiental. At the top left is the logo with the text "PATAGONIA AMBIENTAL PENSAMIENTO EN ACCIÓN". To the right is a blue box labeled "Espacio publicitario". Below the header is a navigation bar with "DIRECTORIO AMBIENTAL" (highlighted in green), "BOLETÍN / GENERAL / NOTICIAS / ROTADOR", and "0 COMMENTS".

On the left sidebar, there is a link "IR AL DIRECTORIO »" and a Greenpeace advertisement with the text "DESTRUIR BOSQUES ES UN CRIMEN" and "Pedí que se penalice la deforestación". Below that is a "SHOPPING" section with a link "IR AL SHOPPING »".

The main article is titled "Construcción sustentable, una tendencia que crece de la mano de la conciencia ambiental". It is attributed to "POR REDACTOR PATAM" and dated "PUBLICADA 28 MARZO, 2017 · ACTUALIZADO 27 MARZO, 2017". The text discusses sustainable construction trends like thermal insulation bricks, solar tunnels, green terraces, and rainwater collection pipes. It includes a quote from architect César Pelli and a quote from architect Sandra Amerise. On the right side of the article, there are social media share buttons for Twitter, Facebook, and Google+, each with a "0" counter.
